

ZIE BIJZONDERE VOORWAARDE(N)

This document is the sole property of the Kinepolis Group and remains so in the furtherance of our business. It may not be disclosed to third parties without our prior written consent. The dimensions of these drawings are purely indicative. Before execution, the respective contractor need to measure on site. In case of aligning, the thickness of the finishing materials should always taken into account. Before implementation, Kinepolis need to approve all of the submitted finishing materials. Every construction, in whichever form, should be stiff and be able to maintain their shape during intensive use.
