Omliggende bebouwing

Te verbouwen

Grond

Perceelsgrens

Te slopen

The diagram illustrates a terrain profile for a residential renovation project. It features a central building footprint labeled 'WONING nr. 31' with a reference to '16e afdeling, sectie K, nr530C4'. The building is shown with various levels: +319, +256, +600, and +689. Annotations include 'Aanbouw af te breken' (Annex to be demolished) on both sides, 'Hoofdgebouw te verbouwen' (Main building to be renovated), and 'Te slopen' (To be demolished) for a section on the right. Green dashed lines indicate 'Gabarit gebuur rechts' (Right neighbor's building footprint). The ground is shown with a hatched pattern, and the surrounding area is labeled 'Omliggende bebouwing' (Surrounding buildings). The profile is bounded by 'Perceelsgrens' (Property line) markers. Other labels include 'Voortuin' (Front garden), 'Voetpad - klinkers' (Footpath - paving stones), and 'Kiekenstraat' (Kieken street).
