

Technical drawing of a garden shed (tuinwals) showing dimensions and components. The drawing includes a side elevation and a top view. The side elevation shows a structure with a total height of 280 cm, a base height of 10 cm, and a main body height of 148 cm. The width of the main body is 92 cm. A central opening has a height of 40 cm. The top view shows a rectangular structure with a central opening. The opening is labeled with points A, B, C, D, E, and F. The structure is labeled with points G and H. The drawing includes labels for 'houten tuinscherm' (wooden garden screen) and 'draadafsluiting' (wire closure). A dashed red line indicates the 'perceelsgrens' (property boundary).
