- de documenten opge maakt door aNNo architecten blijven de volledige intellectuele eigendom van aNNo architecten.
- alle afmetingen in situ te controleren.
- andere bouwpartners worden verondersteld specifieke onderzoeken uit te voeren in situ ter verificatie en ter aanvulling van de opmetings tekeningen of de architect te informeren wanneer bijkomende opmetingsgegevens noodzakelijk zouden zijn.
- de aangeleverde afmetingen geven de bestaande toestand weer zoals aangetroffen in situ (muurdiktes zijn brutomaten).
- eventuele tegenstrijdigheden tussen de documenten van de bouwpartners moeten gemeld worden door de aannemer voor start van de uitvoering.
