

A horizontal timeline from 0M to 10M. The timeline is represented by a row of 20 squares. The first square is white and labeled '0M'. The subsequent squares alternate between black and white, with labels '1M' through '10M' above each square. The squares are: 0M (white), 1M (black), 2M (white), 3M (black), 4M (white), 5M (black), 6M (white), 7M (black), 8M (white), 9M (black), 10M (white).
