G2

The diagram illustrates the layout of the G2 board, which is a rectangular board with a central component area. The board is defined by a dashed border with dimensions 10 on the left and right, and 9 on the top and bottom. The central component area is a shaded rectangle with a width of 2m. The components are arranged vertically in the center: a top component labeled S450, a component labeled P450, and two components labeled ER0112 and ER0113. The board is labeled AB on the left and right sides, and AC on the bottom side. The top side is labeled G2.
