

A diagram showing a 3x3 grid of nodes. The central node is labeled N-27 and is highlighted with a blue border. The eight surrounding nodes are labeled N-26 (top-left), N-28 (top-right), N-29 (bottom-left), and N-30 (bottom-right). The nodes are connected by dashed lines. The central node N-27 is connected to N-26, N-28, N-29, and N-30. The nodes N-26, N-28, N-29, and N-30 are also connected to each other in a square pattern. The central node N-27 is also connected to four other nodes, N-23, N-24, N-25, and N-26, which are not shown in this diagram.
